One Stop Shop

The popular merchandising innovation in the business world has been the shopping center where on one stop, a variety of items were available to the purchaser.

This merchandising concept has been employed to bring you the Red, White & Roan Buckeye Expo. In two days 85 head of herd improving Shorthorns and Polled Shorthorns will be offered for your approval.

Many of these cattle are young and fresh from the show circuit. A large number of them are of the age, type, and quality that will permit them to be shown successfully next year. In the bulls, the spectrum is complete, ie, from your proven bulls down to short yearlings. Truly, at this sale you can find whatever you need, and in volume to choose from.

Don't forget the Social hour and banquet on Friday night, February 26, at the Ramada Inn. Join in the Fellowship, meet new friends, renew old acquaintances.

February 26 and 27 are the MUST dates on your livestock calendar. Take advantage of the One Stop Shop.

If I can assist any of you with reservations, purchases, etc., kindly advise.

Sincerely,

A large, stylized handwritten signature of Joe Gossard.

This is excellent young heifer with a rich bloodline, which we really hate to part with. Her granddam is TV Orange Blossom 15th which produced Windholme Napoleon 12th twice Reserve International Grand Champion Bull and many other champions for both Timberlee Valley and Windholme. Sells open. Calfhood vaccinated. TB and Bangs Accredited Herd. We showed her dam for 2 years and had an impressive record at the county and state shows. We part with her because she is the only animal on the farm of the right age bracket, and we must sell her to sell her sire in the Polled sale. Check him over and I'm sure you will agree she has real brood cow possibilities. Dehorned.

Waukaru Rother Queen 121st is a very trim, correct heifer with a world of natural muscle. She is a half-sister to our steer that was Res. Champion of the 1970 International Carcass show, both on foot and rail. She is definitely the best heifer we have ever consigned to a sale. She is due to calve to Tynywtra's Meteor 40th next fall, a bull whose first calves are on the ground. He is siring some of the best calves of any of the Humphrey bulls. Calfhood vaccinated.

Napoleon Chrissie 4th comes from a family that has been producing very will for us. Two champions at Ohio State Fair were from this family, along with a top bull in the Kentucky National sale and a top bull in an Indiana Sale. There are some big bulls behind this heifer. The crop of calves by Napoleon Modern Trend, to whom this heifer is bred, looks very good. Herd TB accredited and bangs certified.

Napoleon Princess 2d is a heifer we probably should be keeping. Her mother is a wonderful cow and has produced an Ohio State Fair Grand Champion female. We purchased her in a Bilmar sale for \$1,150. She carries a long service date to Napoleon Modern Trend, who was champion at the 1968 Ohio State Fair. This mating should produce a great calf. Herd TB accredited and Bangs certified.

Marked for herd replacement and running with the dry cows, here's a female that will be presented in very moderate fit. Quite correct and trim and from a line that has been very dependable for us, she should prove to be a good investment since she carries the service of Arawak Roan Cloud 26 x, our big western Canada sire. His first calves please us much. Calfhood vaccinated.
